

Ironscale Server module

How to upload the module files?

1. Either you can clone the repo at your **WHMCS_INSTALLATION_DIR** or just upload the **modules** folder at your **WHMCS_INSTALLATION_DIR** using FTP/SFTP/cPanel.

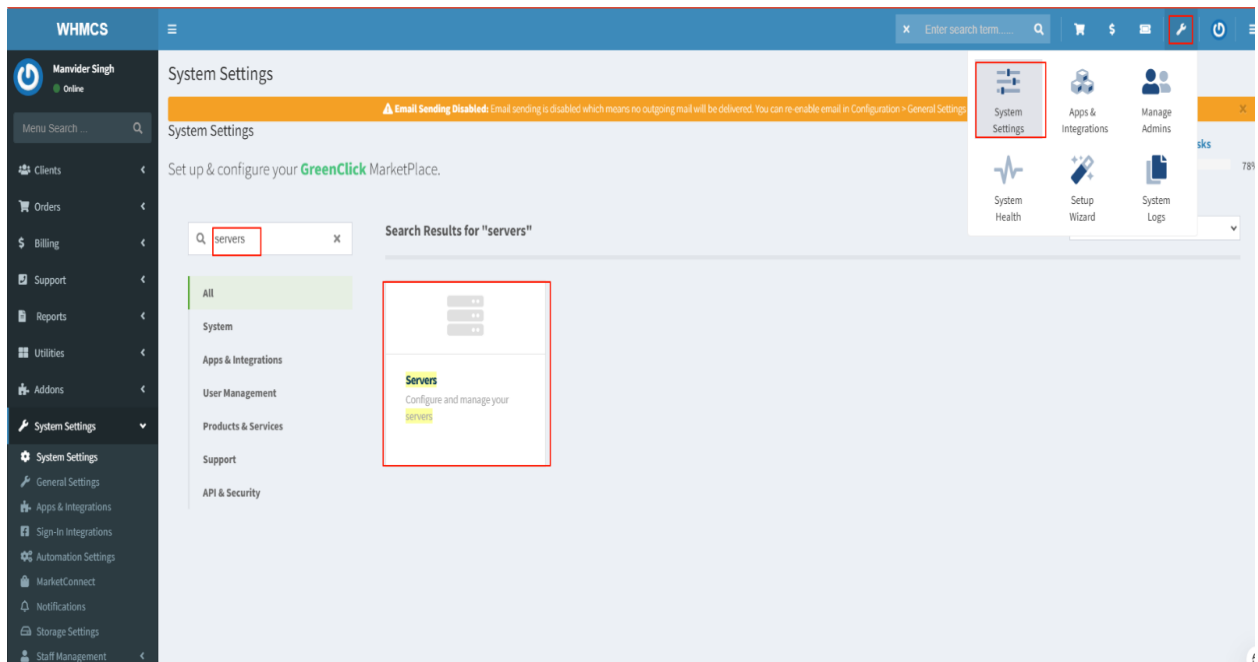

Verify module upload

1. Go to the **WHMCS_INSTALLATION_DIR** go to the path `"/modules/servers/"` and check the folder Ironscale.

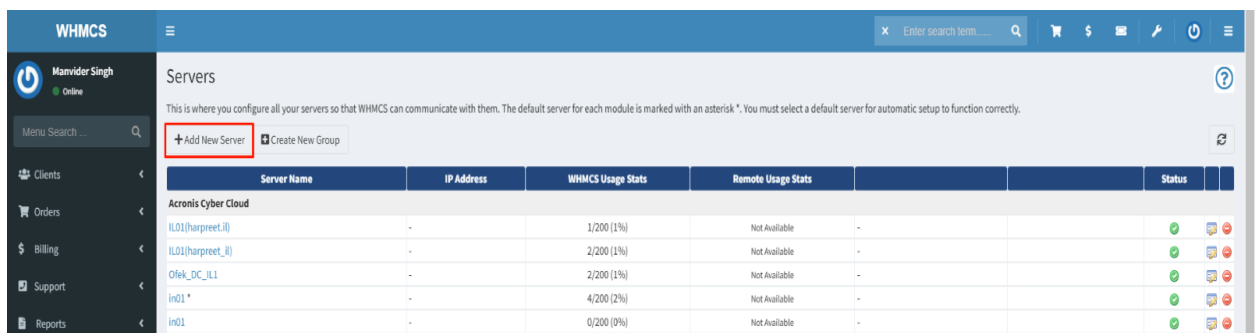

How to configure the module?

1. Log in to your WHMCS admin area. Go to **System Settings >> Find Servers** and click on it.

2 Click on **Add New Server** button

3. Select the Bitdefender module, enter the hostname and API key (obtained from the [Bitdefender portal](#)) in the Access Hash field, and then click the **Test Connection** button.

[Go to Advanced Mode](#)

How to test the module?

In the Client Area

1. First, choose the Ironscale product and click on the **Order Now** button.

The screenshot shows a client area interface. On the left is a sidebar with a 'Categories' list. The 'Ironscale group' category is highlighted with a red box. The main content area displays the 'Ironscale group' header and five product cards. The 'Email Protect' card is highlighted with a red box and contains an 'Order Now' button. The other products are 'Complete Protect™ - Email Security Solution', 'Become Partner - Silver', 'Become Partner - Gold', and 'Become Partner - Platinum'.

Product Name	Starting Price (Monthly)	Action
Email Protect	\$10.37 USD	Order Now
Complete Protect™ - Email Security Solution	\$11.98 USD	Order Now
Become Partner - Silver	\$1.00 USD	Order Now
Become Partner - Gold	\$2,000.00 USD	Order Now
Become Partner - Platinum	\$3.00 USD	Order Now

2. Choose the **configurable options**, fill in the **additional information**, and then click the **Continue** button.

Order Summary

Email Protect

Ironscales group

Email Protect	\$1.00 USD
» No. Of Licensed Mailboxes: 10	\$5.00 USD
» No. Of Licensed Mailboxes: 1 Mailbox License	\$4.37 USD

Setup Fees:	\$0.00 USD
Monthly:	\$10.37 USD
TAX @ 17.00%:	\$1.76 USD

Total Due Today **\$12.13 USD**

Continue →

3. Then click on the **checkout** button.

The screenshot shows the 'Review & Checkout' page. On the left is a sidebar with categories: DC- All, DC- G1, DC- G2, Website Builder, VPN, Website Backup, Website Security, Site & Server Monitoring, SEO Tools, E-mail Services, Public Cloud (Intel High Performance), and Public Cloud (AMD High Performance). The main area is divided into 'Product/Options' and 'Price/Cycle'. The product is 'Email Protect' with an 'Edit' link. It lists 'Ironscale group' and two options: 'No. Of Licensed Mailboxes: 10 x Mailboxes \$0.50 USD' and 'No. Of Licensed Mailboxes: 1 Mailbox License \$4.37 USD'. The price is '\$10.37 USD' monthly. There is an 'Empty Cart' link. Below this is a 'Promo Code' section with a text input and a 'Validate Code' button. On the right is the 'Order Summary' showing: Subtotal \$10.37 USD, TAX @ 17.00% \$1.76 USD, Totals \$12.13 USD monthly, and Total Due Today \$12.13 USD. At the bottom right, there are two buttons: 'Checkout →' (highlighted with a red box) and 'Continue shopping'.

4. After that, select the **payment gateway** (and enter required details like credit card) and then click on **Complete Order**. Button

The screenshot shows the payment gateway selection page. It starts with the text 'Please choose your preferred method of payment.' followed by a list of payment methods: 'PayPal Basic' (selected with a checked radio button), 'Mail In Payment', 'PELECARD Payment Gateway', 'PayPal', 'Paymentsgateway', 'Bank Transfer', and 'SmartPay Gateway Module'. Below this is an 'Additional Notes' section with a text area containing the placeholder 'You can enter any additional notes or information you want included with your order here...'. At the bottom, there is a 'Complete Order' button with a right arrow, which is highlighted with a red box.

5. After completing the order you will get the order id on the Product.

Order Confirmation

Thank you for your order. You will receive a confirmation email shortly.

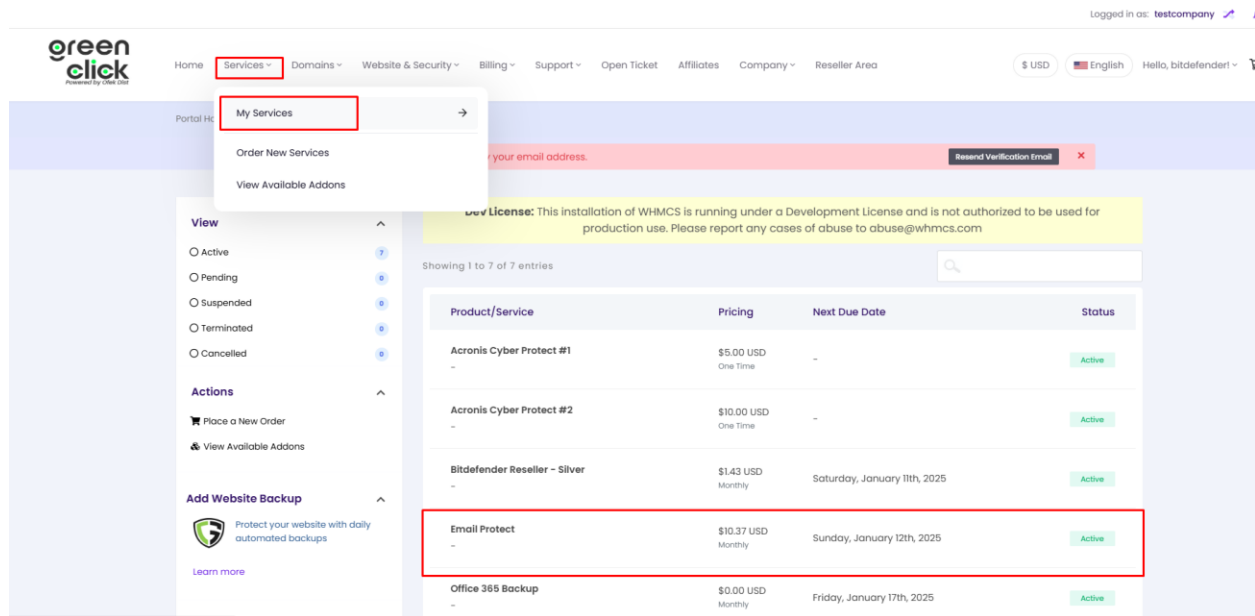

Your Order Number is:
